Your health | Our priority

Greetings from SLAPCON 2024 !!!

It is a moment of great pride for the organising committee, to share with you that the **6th Salem Laparoscopy Conference** is going to be conducted in Salem on 19th and 20th October 2024.

The idea of SLAPCON was conceived in the year 2015, by pioneering efforts of the organising committee, with the sole vision of providing academic activity of the highest order on cutting edge technological skills and training by nationally reputed stalwarts in the field of laparoscopy from various parts of India.

This two day workshop will showcase live HD/4K transmission from Dr Sundararajan Hospital and telecast in Hotel Radisson, Salem. More than 36 hours of live surgical cases will be telecast in a crystal clear manner, which would vary from routine to the most complex surgeries.

We are expecting more than 500 delegates from all over India. This will be an ideal platform for all of us to share our views and to sharpen our skills.

Thanks and Regards,

Dr. SARAVANAN N
Organising Chairman
